

New Traditions

Start a new tradition with your family or friends this year. The holidays are the perfect time to get together to create and connect at My Eclectic Mess.

Special holiday themed crafts that are appropriate for all ages will be demonstrated and taught by Beth Oberle, owner and Master Mess Maker. All participants will have the opportunity to complete their project with materials supplied by us. All classes take place in our classrooms on select Saturday afternoons in November and December.

The best part is that you make the mess and we clean it up!

Create & Connect

Would you like to make gifts or holiday decorations for yourself and others but just don't want to bother with getting the supplies, making a mess in your house and then having to clean up that mess? The holidays are hectic enough without the added hassle of all that. Instead, take an afternoon off and join us at My Eclectic Mess in St. Charles for two hours of crafting fun. We'll provide all the supplies, know-how and best of all, the clean up!

This is the perfect activity to share with your child, sister, mother, best friend or neighbor. You'll get time together to share in the making of memories as well as the cool crafts you'll complete.

Go ahead. Make a Mess!
